

## Proof of California Driver's License and Automotive Liability Insurance

UC Master Food Preserver Program Administrative Handbook, Appendix 7

If you will be driving as a part of your volunteer duties (those duties for which you receive volunteer hours) you must agree and certify that you hold a current valid California driver's license and maintain the required automotive liability insurance as explained below.

Please check TRUE and enter the date that your driver's license expires. If you choose NOT to drive in your role as a volunteer master Food Preserver please select FALSE:

TRUE License Expiration Date: \_\_\_\_\_

FALSE

When driving as a volunteer for the UC Cooperative Extension (UCCE) Master Food Preserver Program I hereby acknowledge that I hold a current and valid California driver's license and that I carry automotive liability insurance that meets the UC minimum requirement. I also certify that I will continue to maintain at least the UC minimum automotive liability insurance during my appointment as a UCCE Master Food Preserver volunteer.

**UC policy requires employees or volunteers who are driving on UC business to maintain insurance coverage in the following amounts:**

- \$50,000 for personal injury to, or death of, one person; \$100,000 for injury to, or death of, two or more persons in one accident; and \$50,000 for property damage.
- These limits are commonly referred to as: "50/100/50". These UC minimum insurance requirements are higher than the State minimum insurance requirements.

I understand that UC provides secondary liability coverage in the event of an accident during the course and scope of UC Master Food Preserver/UC business and if my coverage is below the UC minimums, I am liable for the difference between my policy limits and UC's secondary coverage. \_\_\_\_\_(initial)
